Hotel OD Talamanca – Ibiza

High-quality curtains are used in the renovation of a luxury hotel.

Starting Point

The luxury hotel overlooking Talamanca Bay that was renovated in 2016 aims to offer guests the utmost comfort. High-quality materials were used that are intended to enhance the well-being of the guests.

Solution

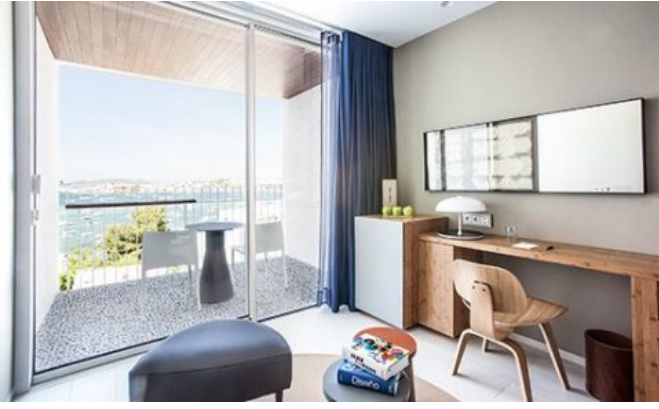

The elegant, highly transparent SOLISTA curtain fabric offers the hotel guests much privacy without interfering with the view of the beautiful bay. In contrast, the PHANTOM PLUS blackout fabric is used at night-time and allows the guests to have a long, undisturbed sleep.
