

Office

# EF Education First Regional Hub – London

Modern office space equipped with a Création Baumann classic.

## Starting Point

In Chelsea, the London architects of EF have created new office space of over 32,000 square metres. The renovated second floor features an auditorium for larger meetings and professional development events.

## Solution

EF selected Jaspis II as the sheer throughout the meeting rooms as the fabric has a beautiful, classic and timeless feel, adding elegance and sophistication to the modern office environment.
