# Wellcome Collection – London

Only the best for outstanding pieces of art

## Starting Point

This exhibition takes its name and inspiration from the “Ayurvedic man”, an 18th century Nepalese painting showing organs and vessels of the male body according to classical Ayurveda.

## Solution

The display cabinets are lined with the decorative ULTRA fabric, which is tested for harmful substances and provides the ideal surroundings for artwork.

The benches are covered with cushion cases made from Alex, a hard-wearing fabric and comfortable base for visitors appreciating the masterpieces.
