# Vetro apartments – London

Contemporary living spaces in dynamic London.

## Starting point

The penthouse flats at Vetro combine dynamic living in the heart of London's capital with a desire for well-being and tranquillity.

## Solution

The architectural firm Simpson Haugh commissioned Création Baumann to select the curtain fabrics for the two show flats. The natural colour selection of the PRATO and TURMALIN II products creates a pleasant ambience. In the bedrooms, the combination of PRATO with the OSCULARGO FR blackout allows flexible darkening of the light-flooded rooms.
