New Work in Action: Acoustic and visual zones for a modern working environment.

## Starting Point

A new office concept is being developed for Hefti.Hess.Martignoni Zug AG (HHM) that meets the requirements of the modern working environment. The company wants to utilise its existing office space more efficiently and at the same time create a working environment that reflects the philosophy of New Work. The focus is on optimising the workflow and promoting flexibility in everyday working life. The aim is to develop an office concept that combines various utilisation options such as home office, desk sharing and flexible work zones.

## Solution

The new office design relies on a well thought-out room layout and targeted acoustic solutions to create a productive and pleasant working atmosphere. The products ACOUSTIC STRIPES, SINFONIA COUSIC and SINFONIA effectively realise acoustic and visual zones.

ACOUSTIC STRIPES offer an innovative option for room zoning and acoustic control by providing both acoustic separation and privacy as vertical louvers. These flexible elements create a clear structure in the room without compromising its open character. SINFONIA COUSIC acoustic curtains are used specifically in areas with high acoustic requirements, such as meeting rooms and the Silent Room, to control noise levels and promote concentration. SINFONIA, a transparent curtain fabric, provides a pleasant flood of light and creates a harmonious atmosphere.

## ACOUSTIC STRIPES

**Article-Number:** 0102300

**Use:** Vertical blinds

**Number of colors:** 10

**Material:** 100% Polyester flame retardant

**Fabric width:** 12.7 cm/5 inch/0.14 yard

**Weight:** 222 g/m

**Sound absorption:**  $\alpha_w$  0.90

**Light fastness:** 5-6

---

## SINFONIAACOUSTIC

**Article-Number:** 0101755

**Use:** Transparent/semi-transparent curtain fabric

**Number of colors:** 12

**Material:** 100% Flame retardant (Trevira CS)

**Fabric width:** 300 cm/118 inch/3.28 yard

**Weight:** 105 g/m<sup>2</sup>

**Sound absorption:**  $\alpha_w$  0.60

**Light fastness:** 5-6

---

## SINFONIA VII color

**Article-Number:** 0002131

**Use:** Transparent/semi-transparent curtain fabric

**Number of colors:** 64

**Material:** 100% Polyester

**Fabric width:** 300 cm/118 inch/3.28 yard

**Weight:** 50 g/m<sup>2</sup>

**Sound absorption:**  $\alpha_w$  0.10

**Light fastness:** see downloads
